

## WORLD ROGAINING CHAMPIONSHIPS 2010

CHEVIOT, NEW ZEALAND 20-21 NOVEMBER

Website: <http://wrc2010.org.nz>

The New Zealand Rogaining Association invites Rogainers internationally to the 9<sup>th</sup> World Rogaining Championships. Planning is well under way and we have a memorable event for you in November 2010.

**Registration opens 1<sup>st</sup> November 2009**  
(see below for important information)

### The Event Area

Most of the terrain is open grassed farmland on rolling hills with spur-gully features, pockets of native forest in some streams, and some plantation forests. There is very little shrubby vegetation that cannot be negotiated. The competition area is bounded to the North and South by large uncrossable rivers and by the Pacific Ocean to the east. See the website for some preliminary pictures.

Event Headquarters is centrally located on the map at 60m above sea level. The average relief of the surrounding hills is 200m, rising to a maximum of 400m. Most routes will be cross-country rather than road or track walking, providing some challenging navigation.

### While you are in New Zealand

New Zealand is renowned as an adventure playground. There are many opportunities for walking, mountaineering, mountain-biking, kayaking, white water rafting, ice-climbing, bungee jumping, swimming with dolphins, whale-watching and more. All these activities take place in regions of stunning scenery and landscapes.

Few countries can combine such wonderful rugged landscapes, gorgeous beaches, spectacular geothermal and volcanic activity, a temperate climate and a fascinating animal and plant life in such a small area.

### Registration

Registration opens 1<sup>st</sup> November 2009. The number of entries is capped at 550 people. A priority system has been introduced but there should be adequate places available.

**To ensure your entry you should register promptly.**

For information on the details of the entry process see the **Registration** section on the website.

### More Information

Consult the event website at <http://wrc2010.org.nz>

### Come visit New Zealand

The members of the organising team hope you enjoy the Rogaine as much as we are enjoying providing it.
